

The Lucas Homestead Hike

2.6 miles round trip. Moderate hike.

DIRECTIONS & FACTS

- **DRIVE:** 6.75 miles South on 97a from Chelan to Downie Canyon Road.
- **DRIVE:** 1.4 miles up Downie Canyon Road. Park in shoulder near abandoned access road.
- **HIKE:** 1.3 miles up an abandoned and overgrown dirt road that angles to the south. At the top of the ridge, follow the road down the next drainage. Within a half mile you will see the homestead below.
- Built in the early 1900's from bricks made and fired on site, the Lucas Homestead makes a great educational destination for kids! Hike best in April and May.
